WHEREAS, the Common Council has authority under its general police powers set forth in sec. 62.11(5), WI. Stats. to act for the good order of the municipality and for the health, safety and welfare of the public; and may carry out its powers by regulation and suppression; and

WHEREAS, the Common Council recognizes it lacks of authority to regulate obscenity in light of sec. 66.051(3), WI. Stats., and does not intend by adopting this ordinance to regulate obscenity, since nudity in and of itself is not obscene, it declares its intent to enact an ordinance addressing the secondary effects of live, totally nude, non-obscene, erotic dancing in bars and taverns; and

LICENSES AND PERMITS 12.02 (7)

WHEREAS, bars and taverns featuring live totally nude, non-obscene, erotic dancing have in other communities tended to further the increase of criminal and other offensive activity, to disrupt the peace and order of the communities, to depreciate the value of real property, to harm the economic welfare of the community and to negatively affect the quality of life of the communities, and such secondary effects are detrimental to the communities, to the public health, safety and general welfare of citizens; and

WHEREAS, the Common Council recognizes the U.S. Supreme Court has held that nude dancing is expressive conduct within the outer perimeters of the First Amendment to the United States Constitution and therefore entitled to some limited protection under the First Amendment, and the governing body further recognizes that freedom of speech is among our most precious and highly protected rights, and wishes to act consistently with full protection of those rights; and

WHEREAS, however, the governing body is aware, based on the experiences of other communities, that bars and taverns in which live, totally nude, non-obscene, erotic dancing occurs may and do generate secondary effects which the governing body believes are detrimental to the public health, safety and welfare of the citizens of the City of New London; and

WHEREAS, among these secondary effects are: (a) the potential increase in prostitution and other sex-related offenses, as well as other crimes and offenses, (b) the potential depreciation of property values in neighborhoods where bars and taverns featuring nude dancing exist, (c) health risks associated with the spread of sexually transmitted diseases, and (d) the potential for infiltration by organized crime for the purpose of unlawful conduct; and

WHEREAS, the governing body desires to minimize, prevent and control these adverse effects and thereby protect the health, safety and general welfare of the citizens of the City of New London; protect the citizens from increased crime; preserve the quality of life; preserve the property values and character of surrounding neighborhoods; and deter the spread of urban blight; and

WHEREAS, the governing body has determined that enactment of an ordinance prohibiting live, totally nude, non-obscene, erotic dancing in bars and taverns licensed to serve alcohol beverages promotes the goal of minimizing, preventing and controlling the negative secondary effects associated with such activity,
