

## **NOTICE TO NEW LONDON WATER CUSTOMERS**

The New London Water Department will NOW be flushing water mains **MAY 21, 2018 THROUGH MAY 24, 2018**. THE SCHEDULE HAS CHANGED DUE TO THE SNOWSTORM CAUSING NO ACCESS TO HYDRANTS AND CATCH BASINS BEING BLOCKED BY ICE AND SNOW. The flushing will be done during the hours from 6:00 AM to 6:00 PM. This main flushing will remove most of the natural minerals such as iron that are harmless but will discolor the water. If you see the men working in your area, use as little or, if possible, no water for 1 to 2 hours to insure that the water has settled down and that the discoloration is not drawn into your water system.

Should you find discoloration in your water system, again stop using water, wait 1 to 2 hours, then draw off the discolored water through the **COLD** water only.

Your help and cooperation in this program will benefit all water customers.

### **FLUSHING SCHEDULE AS FOLLOWS:**

#### **MONDAY – MAY 21:**

**All Customers in High Pressure Zone – Shaded Green**

#### **TUESDAY – MAY 22**

**All Customers in Primary Pressure Zone - Shaded Orange**
